Thank you for your patronage.

### PARKING METER ENFORCEMENT HOURS

Parking meters are enforced 8:00 a.m. to 5:00 p.m. Monday through Friday except the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas Day. On-street parking is prohibited on most streets in the downtown from 2:00 a.m. until 6:00 a.m. Look for the posting.

### FREE PARKING TIMES

Free parking is provided at all meters and municipal parking ramps on evenings after 5:00 p.m. and on weekends from 9:00 a.m. until 1:30 a.m. Fees may be charged for certain event parking. First Hour Free parking is provided at the following parking ramps: Center Street, Civic Center, First Street and Second Street.

### PARKING VALIDATION

Many downtown businesses validate parking in the ramps. Ask for validation.

### CASH KEY

If you are a frequent on-street parker consider obtaining a cashkey. (No more worries about having change.) The cashkey is an electronic key that can be preloaded with value. The key works on all Rochester parking meters. There is a small one-time deposit. Cashkeys are available from the City Clerks Office located in City Hall 201 4<sup>th</sup> Street SE, Rochester, MN or call (507) 285-8086.

### PAY BY SPACE LOTS

Pay lots are controlled by manual or electronic pay boxes. Select a parking stall, observe the stall number and if it's a manual pay box place your fee in the corresponding slot at the pay station. On the electronic boxes you will need to enter your space number and deposit coins for

the amount of time you wish to park. Cashkeys also work in the electronic pay stations.

### MONTHLY PARKING

Monthly parking spaces are leased in the municipal ramps and lots. The number of monthly spaces is limited. For more information on monthly leases call Republic Parking Systems at (507)282-4545.
